+ Results shown reflect responses among registered voters.

- 11a. Now I'm going to read you two statements. Please tell me which one comes closer to your point of view. **Statement A:** In a time of war when we have a Republican president, it is much better to have a majority of Republicans in the House and Senate as well to provide the president with the kind of support and unity needed on both the domestic and international fronts. OR **Statement B:** When issues such as prescription drugs, the environment, and strengthening regulations on business are being debated and we have a Republican president, it is much better to have a majority of Democrats in the House and Senate to provide checks and balances on domestic issues.
